Education

LISN - Laboratoire Interdisciplinaire des Sciences du Numérique, University of Paris-Saclay, Computer Science Paris, France
2018 – 2022

- Ontology and reasoning.
- Semantics and the Architecture, Engineering, Construction and Operation (AECO) domain.

ESI - Ecole Nationale Supérieure d'Informatique (Ex. INI), Computer Science Algiers, Algeria
2013 – 2018

Experience

LORIA - Laboratoire Lorrain de Recherche en Informatique et ses Applications, ATER Nancy, France
(Temporary Teaching and Research Assistant) 2024 – 2025
Teaching at the Institute of Digital Sciences, Management and Cognition (IDMC), University of Lorraine 1 year

- Member of the K team.
- Teaching in computer science at IDMC.

LORIA - Laboratoire Lorrain de Recherche en Informatique et ses Applications, ATER Nancy, France
(Temporary Teaching and Research Assistant) 2023 – 2024
Teaching at the Faculty of Science and Technology (FST), University of Lorraine 1 year

- Member of the K team.
- Teaching in computer science at FST.

École des Mines de Saint-Étienne (EMSE), Postdoctoral Researcher Saint-Étienne, France
Postdoctoral researcher on the European Horizon Europe project ACCORD 2022 – 2023
1 year

- Member of the ISI team.
- Research on semantic modeling, regulatory knowledge alignment, and automated compliance checking.
- Teaching computer science courses at EMSE.

ETIS - Laboratoire de Traitement de l'Information et des Systèmes, CY Cergy Paris Université, Postdoctoral Researcher Cergy, France
2022 – 2022
Postdoctoral researcher on blockchain and semantic technologies for drug traceability 1 year

- Member of the MIDI team.
- Research on combining blockchain and semantic web approaches.

Université Paris 13 Sorbonne Paris-Nord, Part-time Lecturer Villetaneuse, France
Teaching courses in Computer Science 2022 – 2022
1 year

- Bachelor 3 (L3) Computer Science and Mathematics.

Université Paris 1 Panthéon-Sorbonne, Part-time Lecturer Paris, France
Teaching courses in Information Systems and Computer Science 2020 – 2021
1 year

- Master 1 Information Systems Management (SIC track).
- Master 1 Information Systems and Computer Science.
- Bachelor 3 (L3) Management and Finance.
